

CHILD

September, 2011

Dear friends,

We are very excited to introduce to you the **CHILD** Foundation.

CHILD's objective is to

- **relieve poverty by providing food and basic supplies to persons in need**
- **provide necessity of life to victims of disaster**
- **provide medical supplies to persons in need**
- **educate by providing employment training and skills training**

CHILD was "born" from the Haiti Children's Benefit Foundation (HCBF), which has supported Haitians in need since 2004. The new name reflects the intention to serve a wider international community in need. As **CHILD** has Canadian charitable status, it will issue tax receipts.

CHILD plans to host several fundraisers. The upcoming fundraiser will aid Metropolitan Mission in India as they care for people living in poverty. Metropolitan Mission was selected after the Reuters visited the home of the director in Vijayawada in 2006. They experienced firsthand the tremendous work that is done in providing shelter, food, education and love to 350 very needy children in two children's homes. In addition, life skills were taught and wells were drilled to provide safe drinking water in the villages surrounding Vijayawada. Support for widows as well as tsunami and monsoon flood victims has been provided by Metropolitan Mission.

As a result of this visit, several plans have been made to support Metropolitan Mission.

- A fundraising dinner with live entertainment is scheduled by **CHILD** for November 5th, at 9333 - 50 St in the hall of Capilano Christian Assembly.
- Nils and Michelle are leaving in November 2011 to travel in India as well as visit and help out in Vijayawada. They will provide feedback on new developments.
- A trip to India is organized by some of the **CHILD** directors in February 2012 to visit Metropolitan Mission and to keep them accountable for the funds collected.

We would greatly appreciate your participation in prayer and financial support for the fundraising activities and dinner, where we will feature **CHILD**.

Some details to spike your interest – **ALL** donations from this fundraiser will go to these projects:

Rice for 350 children; **Salary** for 6 teachers; **Gas** for school bus; **Saris** for widows and a **Village well**. Funds needed for above projects for one year are \$63 000.

Let's help out!!!!
